

OMNI HOTELS & RESORTS

May 15, 2020

Dear Friends and Partners,

Our teams are looking forward to welcoming you and your attendees back to our hotels in the coming months. As the world has changed, we recognize that safety and cleanliness is of the highest priority. In an effort to ensure confidence as we move forward, I'm happy to introduce to you the new "[Omni Safe & Clean](#)" program as a way to **Stay A Part of Safety**.

Each process and touchpoint of our business has been evaluated by operational leaders and adjustments have been made to address any areas of risk or potential concern. The Omni Safe & Clean initiative follows the guidelines set forth by the Centers for Disease Control and Prevention (CDC) and each individual Omni location will adhere to local and/or federal mandates. Similarly, these guidelines meet or exceed the "Stay Safe" initiative set forth by the American Hotel & Lodging Association (AHLA).

Our brand is unique in that we own most, and manage all of our hotels across North America. With that, our associates all work directly for Omni. This is important to ensure proper training and adherence to these standards. As we work together and begin planning again, trust is paramount and a top priority for our brand.

This program is thoughtful and comprehensive, allowing all our events to move forward so that we each may **Stay A Part of Meeting**. Please find in the link below our full scope and vision of our Omni Safe & Clean Standards: [HERE](#).

Our teams are ready to discuss any questions or special requests.

Best wishes for your safety and good health,

Dan Surette
Chief Sales Officer
Omni Hotels & Resorts
